209. Litigation Concerning Election Disputes

Statement: Since initiating the Governor-nominee Selection Procedures in India pilot project in May 2012, there have been five lawsuits against RI contesting governor elections. Directors Das and Mehta noted that four of the Rotary clubs filing these lawsuits did not complete election review procedures as detailed in the RI Bylaws, which provide that candidates or clubs that fail to follow and complete the election review procedures before filing a lawsuit shall be disqualified from the election in question. Effective 1 July 2013, the Bylaws will also provide that such litigants will further be disqualified from contesting any future elective office in RI for a period determined by the Board, and that the Board may deem a club that fails to follow and complete the election review process as “failing to function.” An additional lawsuit from two members of a Rotary Club in District 3211 (India) challenged the legitimacy of the pilot project itself.

DECISION: The Board

1. recognizes that the following clubs have violated RI Bylaws by failing to follow and complete RI’s election review procedures before filing lawsuits against RI in connection with election complaint allegations:

   - The Rotary Club of Amritsar Central
   - The Rotary Club of Kanpur
   - The Rotary Club of Birla Nagar
   - The Rotary Club of Karette;

2. requests the general secretary to notify each of the foregoing clubs that unless they withdraw or dismiss their litigation against all defendants within 15 business days, the Rotarian candidate on whose behalf the litigation was initiated will be disqualified from the election in question and from contesting any elected office of RI for five years and the club will be deemed as failing to function and will be deemed terminated by the Board immediately upon the expiration of such 15 day period;

In decision 263, May 2012, the Board agreed that Comely Bank is of great historical importance to RI and requested the general secretary to consider options for preserving the home, which had fallen into disrepair. In decision 42, October 2012, the Board agreed to provide US$50,000 to the Paul and Jean Harris Home Foundation (PJHHF) to develop a detailed business plan to restore Comely Bank and requested the president to appoint a three-member committee to evaluate the plan. The Board authorized this committee (comprising Vice President Schuppert, Director Das, and the deputy general secretary) to enter into a loan agreement of up to $500,000 with PJHHF for interior reconstruction of Comely Bank and requested a report at this meeting.

DECISION: The Board

1. receives the report from the three-person committee appointed by the president to evaluate the business plan submitted by the Paul and Jean Harris Home Foundation (PJHHF);
2. recognizes that the successful execution of the business plan is dependent on fundraising and therefore requests the Trustees to consider taking a decision that would:

   a) endorse the Board’s decision to support the efforts of the PJHHF’s plan to preserve Rotary’s history by restoring the Paul Harris Home site;
   b) request the general secretary to allocate fund development resources including the utilization of temporary staff, if necessary, to support a three year fundraising campaign to raise US$5 million for PJHHF’s restoration project, which could be extended by the Trustees;
   c) agree to offer Foundation recognition points for all restricted contributions of US$5,000 or more received for this campaign;
   d) agree to include the PJHHF as an option for districts to donate unallocated District Designated Funds;
   e) be consistent with fundraising option 1 in the donor protocol as shown in Appendix E, filed only with the official copy of these minutes;

3. reconfirms that the three-person committee is authorized to enter into a first mortgage loan agreement of up to $500,000 to PJHHF upon the committee’s determination that a satisfactory business plan has been submitted and the terms of such loan agreement meet the committee’s requirements including a first mortgage;

4. establishes a four-person committee in 2013–14, and requests the 2013–14 trustee chair to appoint one trustee, and the president to appoint two directors to serve with the deputy general secretary.

Note: Director Jagger requested that his negative vote be recorded.

211. RI Privacy Policy

Statement: In decision 223, January 2012, the Board requested the general secretary to review and revise RI’s privacy policy to be consistent with RI’s social business strategy. At the Board’s October 2012 meeting, the general secretary presented a basic outline of this revised policy, noting that the fully revised privacy policy would be presented at this meeting.

DECISION: The Board

1. confirms that Rotary International will not sell or trade its membership data without the Board’s approval, and requests the general secretary to modify the RI Privacy Policy accordingly;

Council Enactment 13-120 removed the RI travel policy from the RI Bylaws effective 1 July 2013. The general secretary recommended additional travel policy amendments for the Board’s review at this meeting. Four Council-proposed enactments regarding the travel policy that were not approved by the Council were also referred to the Board for its consideration.

DECISION: The Board

1. notes the adoption of Council Enactment 13-120 that removed the RI travel policy from the RI Bylaws effective 1 July 2013;

2. thanks the Rotary Club of Southport, Merseyside, England and the Rotary Club of Southport Links, Merseyside, England for their Council-proposed enactment 13-121 and their efforts to conserve RI funds, but notes that current directors and trustees frequently travel long distances in their Rotary service and should be permitted to travel in business class on flights longer than four hours, and that past directors and trustees should be permitted to travel in business class on flights longer than eight hours;

3. thanks the Council of District 1140, Surbiton, Greater London, England for Council-proposed enactment 13-122 and its effort to conserve RI funds, but notes that while 13-122 permits business class on flights longer than three hours, the Board policy has selected flights longer than four hours as an additional cost savings measure, and the Board’s policy is also more restrictive on the use of first class airfare, thereby creating additional savings;
4. thanks the Rotary Club of Beeston, Notts., England for Council-proposed enactment 13-123 and its effort to conserve RI funds, but notes that the Board policy is more restrictive than 13-123 since it permits business class on flights longer than four hours, and the Board agrees that past directors and trustees should be permitted to travel in business class on flights longer than eight hours;

5. thanks the Rotary Club of Sevenoaks, Kent, England for Council-proposed enactment 13-125 and its effort to conserve RI funds, but notes that the Board policy is more restrictive than 13-125 since it only permits business class on flights longer than four hours, and the Board agrees that past directors and trustees should be permitted to travel in business class on flights longer than eight hours;

6. approves amendments to the RI travel policy as adopted in its decision 176, January 2012 and as shown in Appendix F.

2. refers this matter to the 2013–14 Vocational Service Committee for its consideration.

219. Resolution 13-166: To Consider Adding Peace and Conflict Resolution Activities to the Areas of International Service

Statement: Rotary Code of Policies section 8.050.2. provides that international services can be categorized into four areas: service projects between clubs in two or more countries; international education and cultural activities; special international observances and events; and international meetings. Council resolution 13-166 requested the Board to add a fifth area: peace and conflict resolution activities. Noting recent efforts to simplify the RI Code, and the likelihood that very few clubs reference this section of the Code when selecting international service activities, the general secretary recommended removing the section completely.

DECISION: The Board

1. thanks the Rotary Club of Gebze, Turkey and District 2420, for their interest in peace and conflict resolution service projects;
2. notes that peace and conflict resolution is a priority as one of the areas of focus and is actively promoted to Rotary clubs and districts as an international service opportunity;

Statement: To raise awareness of certain RI programs, the Board has designated specific weeks or months on the Rotary calendar to celebrate these programs.
Council resolution 13-167 sought to establish an RI New Generations Service Day. The general secretary noted that the only specific day celebrated on the Rotary calendar is 23 February, RI’s birthday; and further noted that Global Youth Service Day, a project of the Rotary service partner Youth Service America, could satisfy the intent of this Council resolution.

DECISION: The Board thanks the New Generations Committee for its report and amends the Rotary Code of Policies as follows:

Young Adults up to the ages of 30 may participate in New Generations Service Exchange for up to six months and may be organized for individuals or groups. New Generations Service Exchanges must have a strong humanitarian or vocational service component.

225. New Program for Children under Age 12

Statement: Noting the persistent interest of Rotarians over the years to start a new RI program for youth under 12 years old, the New Generations Committee recommended that the Board establish an ad hoc committee to more thoroughly study the issue.

DECISION: The Board

1. recognizes that there is great interest among Rotarians to establish a new program for children younger than age 12;

2. suggests that the president-elect convene an ad hoc committee of no more than ten Rotarians with representation from existing programs for children under age 12 to study RI recognition of a new or existing program, taking into consideration:

227. Partnership with Thunderbird School of Global Management

Statement: In decision 161, January 2013, the Board looked with favor on developing a pilot program with the Thunderbird School of Global Management located in Arizona, USA and requested the general secretary to work with the school to develop parameters for the program, for report at this meeting. Director Boyd and the general secretary met with a member of the school’s advisory board to develop these parameters.
**DECISION:** The Board

1. agrees to enter into a service partnership, as a two-year pilot initiative, with the Thunderbird School of Global Management;

2. requests the Trustees to approve this partnership;

3. requests the general secretary to provide an update on this partnership at the May 2014 Board meeting.

### 228. RI/USAID International H2O Collaboration Phase 2 Plan

The RI/USAID Steering Committee met in January 2013 to discuss next steps for phase 2 of the alliance, including expanding activity into other counties; investing in and promoting innovative tools, interventions, and partnerships to advance the water, sanitation, and hygiene sector; and investing in capacity building and leadership efforts at the district level.

The Rotary Peace Forums Committee requested that the Board receive an advance copy of the Lisbon Peace Declaration before its formal presentation.

**DECISION:** The Board thanks the committee for its work in support of the Rotary Global Peace Forums in Berlin, Hiroshima, and Honolulu and receives with appreciation the Lisbon Peace Declaration.

### 231. 2014 RI (Sydney) Convention Budget*

**Statement:** In decision 163, January 2013, the Board approved the budget and registration fees for the 2014 Sydney convention. This budget was based on the assumption that RI would not charge a goods and services tax (GST) on income and revenue and further would not be able to file to reclaim GST. A March 2013 ruling from the Australian Tax Office provided that RI must charge GST on all revenue, but is able to reclaim it on most items. This ruling required changes to the convention budget and registration fees.

**DECISION:** The Board

1. rescinds its decision 163, January 2013;

2. approves the revised budget for the 2014 RI (Sydney) Convention as shown in Appendix H, filed only with the official copy of these minutes;

**DECISION:** The Board

1. reorganizes the clubs in District 2980 into two districts, effective 1 July 2015, as follows:

   [text omitted]

   8. The general secretary shall be authorized to act on behalf of the Board to approve a minor district boundary modification, affecting the transfer of up to ten clubs, or an area containing no Rotary club, from one district to a neighboring another district and shall become effective 1 July following the decision. ### 237. Update on Extension Activities in China

**Statement:** The Board opened China for extension in 2005, and in 2006 two clubs were chartered in Beijing and Shanghai for foreign passport holders only. Since then, RI has explored the possibility of chartering new clubs in China with Chinese citizens. Recently, due to new legal regulations in Guangdong Province in southern China, conditions may be more favorable for international humanitarian organizations to register and operate in that province. The general secretary noted that conditions now appear right for Rotary to explore moving forward in establishing Rotary clubs with Chinese citizens.

**DECISION:** The Board

1. receives the update on recent extension activities in southern China;

2. places Guangdong Province, People’s Republic of China, within District 3450 and revises the district boundary description as follows:

In decision 114, October 2012, the Board requested directors to continue working with the general secretary to refine their plans for report on a quarterly basis. The general secretary reported that in 2012–13, plan implementation had concentrated mostly on establishing processes and guidelines, including approving and refining budgets, developing tools to support the plans, sending plans to governors-elect and posting to the RI website, continuing discussions with the RI president and president-elect on the various plans’ objectives, and hiring staff at the Secretariat to support these new activities.

DECISION: The Board receives the general secretary’s update on the regional membership plans.

239. Transition Plan for Meeting Frequency Pilot Clubs

Statement: The Meeting Frequency Pilot project began in July 2007 to study the influence attendance flexibility has on membership. Participating clubs reduced the frequency of their meetings to twice a month. With the pilot ending on 30 June 2013, and the 2013 Council rejecting legislation to allow meeting frequency flexibility, the participating clubs—per the original pilot application proposal—are to return to the standard weekly meeting. Noting that the participating clubs have become accustomed to their reduced meeting schedule, the general secretary recommended establishing a transition plan for these clubs.

DECISION: The Board

1. thanks the participating clubs of the Meeting Frequency Pilot project;

2. notes that the 2013 Council on Legislation did not adopt legislation to allow flexibility in meeting frequency;

3. approves the establishment of a transition plan from 1 July 2013 to 30 June 2015 for clubs in the Meeting Frequency Pilot project;

4. requests the general secretary to monitor the impact this transition has on the clubs’ performance, for report at the October 2015 Board meeting.

240. Rotary Club of Union City

Statement: In decision 221, January 2012, the Board agreed to hold a hearing to address the allegation that the Rotary Club of Union City, Tennessee, USA is limiting its membership based on gender, in violation of the RI Bylaws. In decision 289, May 2012, the Board found insufficient evidence to determine that this was the case, reaffirmed that diversity is a core value of RI, and requested the Rotary Club of Union City to take affirmative steps to identify qualified women in its locality for membership. The Board also requested the general secretary to report on the status of this request at this meeting. The Rotary Club of Union City reported forming a Diversity Committee and that it has clearly communicated RI policy prohibiting discrimination in soliciting new members. The general secretary noted, however, that the club gave no specific details for admitting qualified women to its membership.

DECISION: The Board receives the general secretary’s report.

241. Communications Committee Report

Statement: The Communications Committee met on 4–6 February 2013 in Evanston, Illinois, USA and discussed the overall communications plan, the strengthening Rotary’s brand initiative, the RI website redesign, PolioPlus communications, and Public Image grants, among other communications-related topics. In decision 174, January 2013, the Board received the report on the funding model and projected costs for the event, and requested a final report at this meeting. Past RI Treasurer Elio Cerini presented the Host Organization/Italian Foundation report on budget and operations for the expo.

248. Club Dues and Reinstatement Cycle

**DECISION:** The Board, the general secretary acting on its behalf in accordance with Rotary Code of Policies section 17.0.010.4.(10), clarifies the boundaries in District 7870, effective 1 July 2013 as follows:

Rotary South Asian Conference on Development and Cooperation (Decision 229)

1. Background

1.1 Arising from his strong desire for joint initiatives in regional development and cooperation, R.I. President Kalyan Banerjee set up in early 2010, a Core group of Rotarians to design a blueprint for action. At President Banerjee's request, PP Madhav Mohan prepared a Concept Note that outlined in specific terms the common challenges the region faced and suggesting a basis for further discussions (Annexure I). Over a series of meetings, the Group worked on the Concept Note and noted that there was immense scope for cooperation among South Asian countries in solving common economic and social problems. The nine countries that constitute SAARC are home to one fourth of the world's population and form one of the largest economic blocs of the world. They also represent two thirds of the low income population of the world.

1.2 The efforts of governments in the region, while substantial, have been marred by political divisions and intermittent conflicts. President Kalyan believed that Rotary could make a difference in accelerating the pace of development in this region through joint, cross border Rotary projects and strategic partnerships with government agencies, business and voluntary organizations. Cooperation and peace in the region, it is recognized, will be a big step towards creating a more peaceful world.

1.3 It was against this background that members from Rotary clubs in five countries in the region organized a South Asia Conference on Development and Co-operation at Colombo, Sri Lanka on 4, 5 and 6 September.

2. Purpose of the Conference

2.1 The conference aimed at:
- Promoting better understanding, goodwill and trust among the people of the countries in the region;
- Enhancing tolerance by each country towards each other;
- Facilitating easier movement of people in this region to promote cultural exchange and
- Substantially increasing trade and investment in the region.

3. Organisation

3.1 The Conference was hosted by Rotary District 3220 (Sri Lanka). Past RI President agreed to be the Conference Chairman, at President Kalyan Banerjee’s request. PRI K R Ravindran was the Co-Chairman.

The Conference was inaugurated by the President of Sri Lanka, Mr. Mahinda Rajapaksa. The speakers included ministers from Pakistan, Bangladesh and Sri Lanka, leading journalists from India, Pakistan, Sri Lanka and Bangladesh, captains of industry and representatives of chambers of commerce. Altogether 180 delegates attended. The countries represented, Bangladesh, India, Nepal, Pakistan, and Sri Lanka accounted for 94% of the population of the nine SAARC countries.

4. Outcome

At the end of the three day conference, the delegates unanimously adopted a Declaration committing them to collaborative action for cultural, economic and social development of the region. The Conference followed this by unanimously approving a 20 point Plan of action. (Annexure 2 & 3).

5. Mechanism to carry the Conference recommendations forward

5.1 It is necessary to devise a mechanism to implement the decisions of the Conference. The preparatory work for the conference was done by a Core Group consisting of Rotarians from the five participating countries and invitees from the media and the business communities. They were also active in designing the conference structure and ensuring active participation by all delegates.

5.2 It would be appropriate to use the strengths of this Core Group and expand the Group to set up a Rotary South Asia Council (R-SAC) consisting of a Panel of Advisors (POA) and a Collaborative Action Group (CAG).

5.3 The Council will aim at promoting world understanding and peace in the world by strengthening co-operation and development in South Asia, while upholding the principles and
philosophy of Rotary with the support of the Rotary clubs.

(This is the essence of what the initiative aims for)

6. Functions of the Panel of Advisors (POA)
6.1 The POA will be expected to advise the RI President and the CAG on the following:
- Establishing the Colombo Conference Declaration as a document of note with governments.
- Developing Rotary as a partner of choice in South South Asia leveraging its contacts and influence.
- Facilitating freer interaction of people in South Asia.
- Identifying opportunities for Rotary initiative arising out of political and economic trends in South Asia.
- Establishing Rotary as a peace promoter in South Asia.
- Building a financial model for Rotary South Asia Council.

7. Responsibility of Collaborative Action Group (CAG)
7.1 The responsibility of CAG shall be to implement the Action Plan arising from the Colombo Conference. CAG will also develop guidelines for the action plans.

8. Structure
8.1 President Kalyan will be the Chairman of the POA and CAG for a three year. He will nominate a maximum of 12 to 15 members from the Rotary and other collaborating agencies, including governments, members of the POA and CAG.

8.2 The tenure of POA and CAG will also be three years. At the end of the three year period, the highest RI Officer in the committee will take over as the Chairman. The outgoing Chairman shall continue to serve as the Immediate Past Chairman.

8.3 The RID/s in the region will be the chief officers responsible for coordination of the work of POA and CAG.
8.4 The POA shall meet at least once a year.
8.5 The CAG shall meet as often as decided by the Chairman but not less than twice a year.

9. Next Steps
- RI President’s official announcement constituting the Panel of Advisors and the Conference Action Group outlining the responsibilities of each.
- RI President to invite members to serve on the panel and CAG.
- Of the 20 points listed in the Draft Action Plan, 12 may be taken up for immediate action. These may be officially listed as the 12 point Colombo Conference Action Plan and be the basis for joint projects among Rotary clubs in the region.
- Meeting of CAG, POA. to be convened latest by 28 February 2012.
- Setting up a communication mechanism for easier interaction among members in both POA and CAG.
- The approximate cost of holding a meeting is $10000 and assuming two meetings of the CAG and one meeting of POA in a year the total cost of meetings will come to $30000 in a year. A budget of $30,000 per year for two years is recommended.
