Together, we see a world where people unite and take action to create lasting change – across the world, in our communities, and in ourselves.

GOALS FOR PRIORITY 1 – UNITE PEOPLE
1. Strengthen the process for activating leadership in clubs and districts.
2. Increase club membership by attracting new and retaining existing members.
4. Increase the number of female members, members under 40, and Rotaractors joining Rotary.
5. Enhance the engagement and collaboration among Interact, Rotaract and Rotary club members and other Rotary participants.

GOALS FOR PRIORITY 2 – TAKE ACTION
6. Publicize the role of Rotary and Rotarians in polio eradication.
7. Increase local and international projects by fully utilizing District Designated Funds to fund district grants, global grants, PolioPlus and the Rotary Peace Centers.
8. Increase contributions to the Annual Fund and PolioPlus while building the Endowment Fund to $2.025 billion by 2025.
9. Build awareness of Rotary, and promote the People of Action campaign.

GOALS FOR PRIORITY 3 – INTERNAL/OPERATIONAL MATTERS

Foundation Programs
- 90 global grants awarded for a total of $1,703,197 in World Fund;
- 24 district grants awarded for a total of $605,499 in District Designated Fund.

Waivers
- **Districts/Clubs:** Rotary Club of Cochabamba, Bolivia (District 4690) and Rotary Club of Norwest Sunrise, Bella Vista, Australia (District 9685)
- **Decision:** The general secretary waived the requirement of a minimum of three vocational training team members to allow a vocational training team with a minimum of one member. While initially submitted as a humanitarian project/vocational training team global grant with a single three-member vocational training team, it was confirmed through the review process that only the Rotarian leader of the vocational training team needs funding for international travel. There is a 12 member medical team that already has funding for their international travel costs and only require grant funds for their local lodging, food, and transport costs. The large number of travelers exceeds the maximum of two humanitarian travelers. Therefore, in order to allow grant funding to be used for international travel of a single Rotarian vocational training team leader and help cover the local lodging, food, and transport costs for the full team of medical professionals, the general secretary waived the requirement of a minimum of three vocational training team members for Global Grant 1871975.
