98. **To Consider Expanding RI’s Regulations Regarding Sexual Abuse and Harassment**

**Statement:** Noting that while Rotary has a youth protection policy protecting youth from sexual abuse and harassment, and that the importance of this policy should not be underestimated, District 2380 (Sweden) submitted Resolution 18R-32, requesting the Board to expand Rotary’s policy regarding sexual abuse and harassment to include all Rotarians.

**DECISION:** The Board

1. thanks District 2380 (Sweden) for its resolution 18R-32;
2. agrees with the district’s resolution, noting that the Board is currently reviewing Rotary’s policies regarding adult harassment and abuse.

99. To Consider Providing a Club Guide for Mandatory and Discretionary Practices

Statement: Noting that policy changes at the 2016 Council on Legislation led to confusion among some clubs regarding mandatory versus discretionary Rotary policy, the Rotary Club of Osaka, Japan submitted Resolution 18R-04, requesting the Board to clarify which practices and procedures are mandatory and which are discretionary.

DECISION: The Board

1. thanks the Rotary Club of Osaka and District 2660 (Japan) for its resolution 18R-04;
2. notes that existing Rotary requirements and best practices for clubs are outlined in Rotary’s constitutional documents and that Board policy statements use the words “should” for discretionary practices and “shall” for mandatory ones.

100. To Consider Publishing a Manual Outlining the Proper Method for Entering Club Data in Rotary Club Central

Statement: Noting that some clubs could use more guidance in correctly entering data into Rotary Club Central, the Rotary Club of Rosario, S. F., Argentina, submitted Resolution 18R-06, requesting the Board to publish a manual on the correct procedures for entering this data.

DECISION: The Board

1. thanks the Rotary Club of Rosario and District 4945 (Argentina and Uruguay) for its Resolution 18R-06;
2. notes that guides exist online in all Rotary languages to assist clubs in entering their data into Rotary Club Central, that PETS training includes use of Rotary Club Central, and that Rotary coordinators and Rotary staff are available to assist using this tool.

101. To Consider Recommending That Clubs Display The Four-Way Test

Statement: Noting that The Four-Way Test is one of Rotary’s guiding principles and that the Standard Rotary Club Constitution references the test as a means for qualifying club membership, District 2580 (Japan) submitted Resolution 18R-05, requesting the Board to recommend that The Four-Way Test be posted at club meetings.

DECISION: The Board

1. thanks the Rotary District 2580 (Japan) for its resolution requesting the Board to consider recommending that clubs display The Four-Way Test;
2. applauds the intention of the resolution and notes that The Four-Way Test is part of the Manual of Procedure (MOP) even though it is not a trademark of Rotary International;
3. noting that many clubs prefer flexibility regarding the signs or banners they put on display to best fit with their culture, values, and interests, and that The Four-Way Test is not an official Rotary motto, nor a registered Rotary trademark, does not agree to recommend that Rotary clubs display The Four-Way Test.

102. To Consider Allowing Clubs to Report All Volunteer Hours

Statement: Noting that under the current system, volunteer hours cannot be reported for club administration, fundraising, and project planning, the Rotary Club of Central Blue Mountains, N.S.W., Australia submitted Resolution 18R-08, requesting the Board to include these categories among the options for reporting volunteer hours in Rotary Club Central.

DECISION: The Board

1. thanks the Rotary Club of Central Blue Mountains, N.S.W., Australia, for its Resolution 18R-08;
2. noting that the functionality to report volunteer hours currently exists in Rotary Club Central, agrees with this recommendation and requests the general secretary to instruct clubs on how to complete this task.

103. To Consider Requesting a Report on Club Obligations Prior to Terminating a Club

Statement: Noting that terminated clubs holding financial obligations in connection with grants and other Foundation-related projects can have a detrimental effect on others who were also involved in those grants and
projects, the Rotary Club of Villa Nueva, Cord. Argentina, submitted Resolution 18R-10 requesting the Board to request a detailed report from the district governor on the status of a club’s pending obligations before a club is terminated.

**DECISION:** The Board

1. thanks the Rotary Club of Villa Nueva, Cord., Argentina, for its Resolution 18R-10;

2. applauds the intention of the resolution and notes that Rotary clubs are terminated for three primary reasons: failure to pay RI dues, voluntary rescinding of their charter, or for failure to function;

3. noting that the leadership in a terminated club remain liable for their previous commitments, including financial commitments and grant reports, does not agree to request a report on club obligations.

**104. To Consider Officially Recognizing the District Internet Communications Officer**

**Statement:** Noting that some districts appoint an internet communications officer and that since this position is not an official position under the district leadership plan, the information available to the person in this position is limited, the Rotary Club of Winterthur, Switzerland, and Districts 1980 and 1990 (Switzerland) submitted Resolution 18R-15, requesting the Board to officially recognize the district internet communication officer.

**DECISION:** The Board

1. thanks the Rotary Club of Winterthur, Switzerland, and Districts 1980 and 1990 (Switzerland) for their Resolution 18R-15; and

2. noting that it had recently streamlined the district committee structure based on governor feedback that they were having trouble filling the 49 committee chair positions and further noting that districts can appoint district committee chairs as best serves their clubs, does not agree to officially recognize the district internet communications officer.

**105. To Consider Acknowledging the Role and Responsibilities of District Secretaries**

**Statement:** Noting that district secretaries play an important role in the district, yet their responsibilities are not included in the district leadership plan, the Rotary Club of Rasipuram, Tamil Nadu, India, submitted Resolution 18R-16, requesting the Board to include the role of district secretary in the district leadership plan.

**DECISION:** The Board

1. thanks the Rotary Club of Rasipuram, Tamil Nadu, India, for its Resolution 18R-16;

2. noting that the RI Board streamlined the district committee structure based on governor feedback, encourages districts to appoint district secretaries as best serves their clubs.

**106. To Consider Allowing Rotaract, Interact, and Inner Wheel to Maintain Web Pages on Rotary.org**

**Statement:** Noting that Rotary International comprises a variety of programs, projects, and activities, and that being apprised of what each of these groups is engaged in could be of interest to Rotarians at large, the Rotary Club of Rosario, S. F. Argentina, submitted Resolution 18R-27, requesting the Board to include separate pages on rotary.org for Rotaract, Interact, and Inner Wheel.

**DECISION:** The Board

1. thanks the Rotary Club of Rosario, S. F., Argentina, for its resolution 18R-27;

2. noting that significant new Rotaract-related functionality is currently being integrated into MyRotary, and that Europe’s new General Data Privacy Regulation law precludes data collection on minors, and further noting that Inner Wheel is an organization independent of Rotary, does not agree to make special provisions for these groups on rotary.org at this time.

**107. Resolutions Requesting Trustee Action**

**Statement:** The 2018 Council on Resolutions submitted five resolutions regarding The Rotary Foundation that require trustee action.

108. Livestreaming Convention Events

Statement: In decision 54, October 2018, the Board requested the general secretary to review the feasibility of livestreaming convention events as a member engagement tool, particularly considering the financial impact, for report at this meeting. The general secretary reported that livestreaming is an accepted convention industry strategy for increasing live attendance at future events, it supports Rotary’s strategic objectives of growing and diversifying participation in Rotary, it increases Rotary’s appeal, develops value for participants, and offers opportunities for personal and professional connection. The general secretary further reported that livestreaming can increase engagement with the 35–54 year-old demographic, which is crucial for Rotary’s membership growth and sustainability.

DECISION: The Board
1. requests the general secretary to
   a. offer content from the 2020 RI (Honolulu) Convention via a livestreaming platform;
   b. explore methods for on-demand distribution of captured content after the 2020 convention;
2. agrees that livestreaming of 2020 Honolulu convention content shall be funded by the convention reserve fund.

109. 2023 RI Convention Site Selection

Statement: In decision 156, April 2018, the Board requested the general secretary to invite Busan, Korea; Delhi, India; London, England; and Melbourne, Australia to bid on hosting the 2023 Rotary convention and based on those bids authorized its Executive Committee to approve finalist cities for site inspection. Upon the Executive Committee’s approval, a site inspection team went to London and Melbourne. The general secretary presented their findings to the Board.

DECISION: The Board
1. tentatively selects Melbourne, Australia, as the site for the 2023 RI convention on 26-31 May 2023, using the Melbourne Convention & Exhibition Center and Rod Laver Arena as the primary venues, subject to the general secretary’s successful negotiation of an appropriate block of hotel rooms, adequate space in which to hold all convention activities, a transportation agreement, thorough review of related tax implications, and any other agreements necessary to memorialize the proposal from the host area, and requests the general secretary to provide a status report at the June 2020 Board meeting;
2. requests the general secretary to inform the bid teams in Melbourne, Australia, and London, England, of the Board’s decision.

110. Rotaract Per Capita Dues

Statement: In decision 55, October 2018, the Board requested the general secretary to investigate the operational and financial impact of collecting annual per capita dues from Rotaract members to provide these members additional services staring 1 July 2020. The general secretary reported several governance and technological considerations in implementing a Rotaract dues structure and further reported that surveys are currently underway to determine the products and services that Rotaractors are most interested in, which will help in establishing an appropriate dues structure.

DECISION: The Board
1. receives the general secretary’s preliminary report on Rotaract per capita dues;
2. requests the general secretary to report on the results of the cost of membership survey at the April 2019 Board meeting.

111. Exception to Interact Club Sponsorship Policy

Statement: Past director Noel Trevaskis requested the Board to consider an exception to policy request from two Australian Rotary clubs to allow for their co-
sponsorship of an Interact club (one of the clubs is situated in a different district than the Interact club, which would require a policy exception to be implemented).

**DECISION:** The Board does not agree to grant an exception to its policy to permit the co-sponsorship of the Interact Club of Aitken College by clubs in two districts: the Rotary Club of Brunswick Tullamarine (District 9800), and the Rotary Club of Greenvale (District 9790);

112. **Youth Exchange Travel Insurance**

**Statement:** Responding to feedback from districts, the Youth Exchange Committee recommended amendments to the Rotary Code of Policies that would strengthen travel insurance coverage for Youth Exchange students.

**DECISION:** The Board amends the Rotary Code of Policies regarding Youth Exchange travel insurance as follows:

41.070.12. Travel Insurance for Rotary Youth Exchange Students

Partner districts shall determine where there may be gaps in coverage, in any national insurance plans or travel insurance coverage, and identify and purchase supplemental coverage to meet the minimums.

Evidence of student travel insurance coverage shall be submitted to, received by, and accepted by the host district prior to the student’s departure from home. As the host Rotary district must be in a position to arrange immediate and emergency medical attention when it is needed, the host district must be satisfied that the insurance coverage carried by the student is with a responsible insurance company and will ensure that any service providers receive complete and prompt payment. The parent or legal guardian of the Youth Exchange student is responsible for the payment of all medical and accident costs.

The parent or legal guardian of each student shall provide travel insurance, including, but not limited to, medical and dental coverage for accidental injury and illness, accidental death, dismemberment, and disability benefits (also known as capital benefits), repatriation of remains, emergency evacuation, and 24-hour emergency assistance services, and personal legal liability. b) Valid in the host country, any transit countries and countries included on any tours with the exception of student’s home country

c) 24-hour emergency assistance services

d) **Minimum US$1,000,000** for expenses related to injury or illness such as hospital, doctors/physicians, dentist, ambulance or other usual and customary medical services

e) **US$100,000** for accidental death, dismemberment, or disability

f) **Minimum US$50,000** for repatriation of student’s remains or cremation expenses in the event of the death of the student

g) **Minimum US$50,000** for necessary emergency transport or evacuation of student in the event of severe illness or bodily injury

h) **Minimum US$500,000** for personal legal liability for liability arising from the student’s actions or omissions that cause bodily injury to a third party or damage to a third party’s property.

The Parents or legal guardians should also consider obtaining the following additional travel insurance options:

a) **Accidental death, dismemberment, or disability**
113. Selection of 2018–19 Alumni Awards Recipients

Statement: Rotary annually recognizes one outstanding Rotary Foundation alumnus with the Rotary Alumni Global Service Award and one exemplary alumni association with the Rotary Alumni Association of the Year Award. The Board reviewed recommendation for these awards made by the Joint Young Leaders and Alumni Engagement Committee.

DECISION: The Board

1. selects the individuals, as shown in Appendix G (filed only with the official copy of these minutes) as the 2018–19 primary recipient and alternate recipient of the Rotary Alumni Global Service Award;

2. requests the general secretary to notify the award recipient and confirm the recipient’s commitment to receive the award at the 2019 Rotary International convention in Hamburg, Germany;

3. authorizes the general secretary, on behalf of the Board, to designate the alternate as the award recipient if the primary award recipient cannot receive the award in person at the Hamburg convention;

4. selects the alumni association, as shown in Appendix H (filed only with the official copy of these minutes) as the 2018–19 recipient of the Rotary Alumni Association of the Year Award;

5. requests the general secretary to notify the association and confirm its commitment to receive the award at the Hamburg convention.

114. Service Above Self Award

Statement: The Service Above Self Award is one of the highest honors a Rotarian can receive. Up to 150 awards can be granted annually for outstanding humanitarian service. A Board committee reviewed the 2018–19 nominations and submitted its recommended list of recipients to the Board for approval. The committee also suggested that senior Rotary leaders not be excluded from receiving the award.

DECISION: The Board

1. approves the 75 recipients of the 2018–19 Service Above Self Award, as shown in Appendix I, filed only with the official copy of these minutes;

2. confirms that the selection results shall be kept confidential until the presentations of the awards have been made.

115. Global Networking Groups Committee Report

Statement: The Global Networking Groups Committee met on 2–3 November 2018 and discussed the Rotary Strategic Plan, the global membership model currently under review, the project enhancement initiative, Rotarian Action Groups, Rotary Fellowships, and a possible name change to Rotarian Action Groups, among other topics.

DECISION: The Board

1. requests the general secretary to provide an update to the Global Networking Groups Committee regarding actions taken to provide quantifiable data on Rotarian Action Group participation in global grants;

2. requests the general secretary to provide a progress report at the April 2019 Board meeting on the MyRotary profile enhancement project;

3. agrees to allow Rotarian Action Groups to establish charitable entities similar to clubs and districts and amends the Rotary Code of Policies accordingly by deleting section 42.030.15. as follows:

   42.030.15. Establishment of Charitable Entities and Organizations
   Rotarian Action Groups may not establish their own foundations, trusts, or other similar charitable entities. Rotarian Action Groups may not establish other organizations, for example an implementing organization, to circumvent any of the policies listed above.

4. agrees that to retain its “active” status, a Rotarian Action Group shall maintain a website with current information and resources and amends the Rotary Code of Policies accordingly, as shown in Appendix J;

5. amends the Rotarian Action Groups Standard Bylaws to

   a. allow Rotarian Action Groups to offer a multi-year membership;

   b. increase the term limit of a Rotarian Action Groups officer from one to three years;
c. allow Rotarian Action Groups to offer membership to Rotaract clubs, Rotary Clubs, and districts;

6. amends the Rotary Code of Policies regarding Rotarian Action Groups’ purpose and membership as follows:

42.030.1. Purpose and Membership
A Rotarian Action Group shall be an association of Rotarians, family members of Rotarians, program participants and alumni who have as their purpose the advancement of the Object of Rotary by providing assistance and support to Rotary clubs, districts, and multidistricts in planning and implementing large-scale, community development and humanitarian service projects. Membership may also be offered to Rotaract clubs, Rotary clubs, and districts on an annual basis at the discretion of the Rotarian Action Groups’ board of directors.

7. amends the Rotary Code of Policies regarding Rotary Fellowships to simplify reporting requirement, eliminate unenforceable policies and to streamline program support, as shown in Appendix K;

8. denies recognition of the proposed Strategic Planning Rotarian Action Group, noting that the topic and purpose does not align with the purpose of an Action Groups and the proposed entity appears to duplicate the purpose of the RI Strategic Planning Committee and the responsibilities of regional leaders.

116. Toastmasters Partnership

Statement: The Board considered an opportunity to develop a partnership with Toastmasters International.

DECISION: The Board authorizes the general secretary to work with Toastmaster’s International to develop and launch a co-branded online product, including communication and leadership modules, to be made available first to Rotaract clubs, then non-club based participants and Rotary Clubs, and approves a budget of US$230,000 through 2021 for this purpose.

117. Report on Additionally-Supported Districts

Statement: An “additionally supported” district is a temporary designation that allows for the continuation of a district that does not meet the minimum number of clubs or members as prescribed in the RI Bylaws. The Board has authorized annual funding support to such district for additional training, membership development, and promotion of participation in The Rotary Foundation. At the time of this meeting there were two districts with this designation: District 2232 (Belarus and Ukraine) and District 7000 (Puerto Rico).

DECISION: The Board receives the general secretary’s report on “additionally-supported” districts.

118. District 1420 (Estonia and Finland) Dispute with Eesti Rotary Klubid

Statement: At its January 2018 meeting, the Board reviewed a dispute in District 1420 (Estonia and Finland) where an administrative organization called Eesti Rotary Klubid (ERK) was operating to support Estonian clubs, which, however, was in conflict with the existing district structure. The Board requested specific measures be taken by the district leadership and ERK and further requested Director Ahlberg to meet with Estonian club presidents and presidents-elect to oversee the situation. Past Director Ahlberg with Past Director Pandel visited the clubs and reported that an agreement between District 1420 and ERK had been signed but that additional Board oversight could help ensure that the dispute remains resolved.

DECISION: The Board

1. thanks past RI Directors Mikael Ahlberg and Ekkehart Pandel for their report regarding Eesti Rotary Klubid (ERK);

2. acknowledges that ERK has signed an agreement to dissolve their entity and notes that it will take at least six months to complete;

3. requests Past Directors Ahlberg and Pandel to continue to oversee the complete implementation of this agreement.

119. Adult Harassment Policy Update

Statement: The general secretary noted that existing Rotary policy addressing adult harassment is neither clear nor centrally located in the Rotary Code of Policies, resulting in frequent requests for support on this issue from the Secretariat. The general secretary suggested consolidating and clarifying existing policy, along with providing new adult harassment policy to include better descriptions of what constitutes harassment, Rotary’s process for handling allegations, and its process for ensuring compliance.
**DECISION:** The Board

1. updates its policy on adult harassment as shown in Appendix L;

2. requests the general secretary to provide training resources to club and district leaders regarding maintaining harassment-free environments at Rotary meetings, events, and activities, with emphasis on training and support for club presidents-elect, governors-elect, and incoming directors and trustees.

The general secretary further reported on potential problems and opportunities in pursuing this type of product, a value proposition and high-level overview of the proposed product, a review of market opportunities, and the need for establishing a target market.

**DECISION:** The Board receives the general secretary’s report on the global membership test project and requests a further update at its April 2019 meeting.

**123. Houston Membership Marketing Pilot**

**Statement:** In decision 62, October 2018, the Board agreed to the development of a framework for a global membership test project and requested the general secretary to establish a target market for this project in the city of Houston, TX, USA. The general secretary reported that the objectives of this market penetration test are to grow Rotary by improving member retention and attraction into the new and existing membership models and to create a ready-to-use product for local leadership to implement in pursuing this effort. The project will be conducted in assessment, marketing, and evaluation phases leading up to the 2022 Rotary convention in Houston.

AMENDMENT TO ROTARY CODE OF POLICIES REGARDING PROCEDURES FOR THE FUNCTIONING OF THE NOMINATING COMMITTEE FOR RI PRESIDENT
(Decision 84)

27.010.2. Procedures for the Functioning of the Nominating Committee for President

The Board has adopted procedures for the functioning of the Nominating Committee for RI president as follows:

Confidentiality

Members of the nominating committee, prior to and following the meeting of the committee, shall not discuss with other members of the committee or any other person the work of the committee, and shall at no time discuss or divulge any of the deliberations or discussions of the committee, except as they may participate in the deliberations of the committee at the time of its meeting. This confidentiality may be waived solely by the Board, or the RI Election Review Committee acting on its behalf, in order to investigate any duly filed election complaint.

Preparation for the Committee Meeting

1. The general secretary will assign a member of the Secretariat staff to work with and for the committee with instructions that all aspects of the work of the committee are to be kept in strict confidence.

2. Candidates for RI president shall be asked to submit a statement not to exceed 300 words outlining their vision and goals for Rotary.

3. In accordance with RI bylaws section 12.050.2., which provides for candidates for RI president to be given an opportunity to be interviewed by the committee, the RI Board will develop three to five questions annually that candidates will be asked to answer in writing. There shall be a 150-word limit on a candidate’s answers to each of the three to five questions. At the same time, the Board shall approve a list of key issues facing Rotary that will be shared with the nominating committee.

4. The general secretary shall send the interview questions to those Rotarians who submit their names for consideration by the nominating committee. Answers to the interview questions must be returned no later than 10 July.

5. Written statements submitted by candidates that exceed the applicable word limits in the language submitted shall not be transmitted to the Nominating Committee for RI President.

6. In accordance with RI bylaws section 12.040.3., no later than 15 July the general secretary shall forward to committee members an alphabetical list of the past directors who have notified the general secretary that they wish to have their names listed as being willing and able to serve as president with the name of the Rotary club in which each holds membership indicated in capital letters. If there are more than six candidates, committee members will be required to vote on their top six candidates within the following five days. Any committee members not voting by the deadline shall not attend the committee meeting. The top six vote getters shall be considered the “finalists” and invited by the general secretary to be interviewed in-person by the committee. In the event of a tie for the sixth position, all candidates involved in the tie shall be invited to be interviewed in-person by the committee. The finalists’ travel (economy class) and related expenses shall be paid by RI. Candidates who are not invited to be interviewed shall not be considered further by the committee. If there are six or fewer candidates, all candidates shall be considered finalists and invited to be interviewed.

7. With regard to the six finalists identified by the committee, the assigned staff person shall prepare the following materials for each committee member. These materials shall be delivered to members of the committee electronically five days before the meeting. A hard copy of these materials will be distributed to each member the day before the committee meeting.

   a) an informational letter from the general secretary pertaining to procedures of the committee meeting
   b) a copy of the “Procedures for the Functioning of the Nominating Committee for President”
   c) a copy of RI bylaws Article 12
   d) a copy of the RI President Job Description outlined in section 27.020. of this Code
   e) an alphabetical list of candidates for the office of president
   f) a list of key issues facing Rotary developed by the RI Board
8. The committee meeting shall begin the evening before the meeting date for the purpose of electing a member of the committee as the chair and another member as the secretary. The chair and secretary shall be elected following the committee’s welcome dinner in accordance with the procedure outlined in paragraph 9, below.

9. The committee shall elect a member of the committee as its chairman. Another member shall be elected as secretary. The election of the chairman and secretary shall be conducted under the direction of the general secretary, who shall prepare and distribute a ballot listing each member of the nominating committee. Each member of the committee shall cast one vote for the chairman. The general secretary, or a member of his staff, shall count the votes and announce the results. If nine (9) votes are not received by any member of the committee, a second ballot shall be held. Voting shall continue on successive ballots until nine (9) votes are received. After the election of the chairman, the procedure outlined above shall be used to select a committee secretary.

At the Committee Meeting

10. The members of the nominating committee shall be seated in alphabetical order.

11. The general secretary shall inform the committee that RI bylaws (section 12.050.1.) provide that “The committee shall meet and nominate from among the list of past directors who have indicated they are willing to serve as president the best qualified Rotarian available to perform the functions of the office.”
14.15. The committee shall conduct interviews of no more than 30 minutes with each of the six finalists previously identified by the committee. The finalists shall be interviewed in alphabetical order. The general secretary shall provide a timing device that is visible to both the committee secretary and the candidate for timing the candidates’ responses. The general secretary will inform candidates that they may bring and refer to notes during their interview.

15.16. Following the interviews, but before conducting a ballot for president, the nominating committee shall discuss the qualifications of each candidate. No member of the committee should leave the room once the committee has started the deliberation process until the nominee has been selected.

17. Following the discussion of all of the candidates, the chairman shall distribute ballots prepared by the general secretary containing an alphabetical list of candidates and instruct each member of the committee to vote for four candidates.

All voting conducted under this paragraph shall be conducted by secret ballot. After the secretary announces the results of this ballot, similar steps shall be followed to reduce the number of candidates to two and, finally, to one. Notwithstanding the foregoing, a candidate eliminated during a previous round of balloting may be reconsidered at any point if requested by at least six members of the committee. Voting must continue until there are two candidates remaining and one of the final two candidates receives at least ten votes, regardless of whether any candidate received ten or more votes in a previous round of voting. The committee shall not select an alternate, and the candidate who finishes second in the final vote shall not be considered to be an alternate.

18. In the event of a tie in voting for the final four or two candidates, the candidates involved in the tie shall proceed to the next round of voting. If there are more than two candidates in the final round of voting and no candidate receives 10 votes in the initial vote, the lowest vote-getter shall be removed from further consideration on subsequent ballots.

19. The RI bylaws (section 12.050.3.) provide that “Twelve members of the committee shall constitute a quorum. The transaction of all business of the committee shall be by majority vote, except that in the selection of the committee’s nominee for president, the votes of at least ten members of the committee shall be cast in favor of such nominee.”

20. The report of the committee naming its nominee shall be signed by the chairman on behalf of the committee and be delivered and certified to the general secretary. (In the past, this has been done before the committee adjourned.) This report is to be the only formal record of the committee. The general secretary will notify each club of the contents of the report and the names of the nominating committee in accordance with the RI bylaws.

21. Should the selection of another nominee for president be necessary, the general secretary shall contact those past directors who previously indicated to the general secretary that they wished to be considered by the nominating committee. The names of the candidates who still wish to be considered shall be considered by the committee. The procedures to be used at any emergency meeting of the committee shall follow these procedures as closely as possible.

Subsequent to the Meeting

22. The vision and goals statement and written answers to the interview questions developed by the RI Board submitted by the candidate chosen by the Nominating Committee for RI President shall be made available to Rotarians.

(End of Text)

PURPOSE AND EFFECT

The purpose of this enactment is to provide membership in RI to Rotaract clubs, which would elevate their affiliation with RI and bring them into the family of Rotary. For many Rotaractors, this enactment would not necessarily change their individual experiences, as they would maintain distinct rights, privileges, and representation from Rotarians. The greater importance would be acceptance of Rotaract clubs and Rotaractors as members of RI rather than as program participants or a pool of potential members.

PROPOSED ENACTMENT 19-75

To amend the term of service for the Rotaract and Interact Committee members

Proposer(s): Board of Directors of RI

(End of Text)

PURPOSE AND EFFECT

The proposed enactment would provide for equal numbers of three Rotarians and three Rotaractors on the Rotaract and Interact Committee and provide that a Rotarian and Rotaractor would serve as committee co-chairs. Currently, RI Presidents are encouraged to appoint more than the minimum number of Rotaractors and have appointed a Rotaractor as co-chair of the committee.

The proposed enactment would also remove Interact from the responsibilities of the committee in order to emphasize Rotaract as a membership experience distinct from Interact as a youth program conducted by clubs. The president may appoint an Interact committee, as appropriate. Clubs, districts, and certain senior leaders may bring any items concerning Interact to the Board by petition or through the Council on Resolutions.

PROPOSED ENACTMENT 19-95

To establish a new target and define the General Surplus Fund

Proposer(s): Board of Directors of RI

To amend the BYLAWS of Rotary International as follows (page 78 MOP)
Article 18 Fiscal Matters

18.050. Budget.

18.050.6. Expenditures in Excess of Anticipated Revenue; General Surplus Fund.
Notwithstanding the provisions of section 18.050.4., if at any time the general surplus fund is greater than 55 percent of the highest level of annual expenses during the most recent three-year period, excluding expenditures funded from the general surplus fund and the self-financing expenditures on for the annual convention and the council on legislation, the Board, by a three-quarters vote, may authorize the expenditure of amounts in excess of anticipated revenues, provided, however, that such expenditure would not cause the general surplus fund to decrease below 100 percent of such 55 percent level. Full details of the excess expenditure and the circumstances leading thereto, such authorization shall be reported by the president to all officers of RI within 60 days and to the next convention. The general surplus fund shall be defined as RI’s cash and investments, excluding funds held in restricted currencies, funds restricted by the RI Bylaws or the RI Board, and funds necessary for RI’s daily operations.

(End of Text)

PURPOSE AND EFFECT

The RI Board seeks to modernize RI’s policy for reserves to meet future foreseen and unforeseen events, in accordance with principles of good governance. The RI Board consulted third-party experts on establishing an appropriate level (or target) for reserves in accordance with principles of good governance.

The RI Board also undertook a study of an appropriate definition of the General Surplus Fund.

The RI Board proposes:

- an appropriate level of reserves is 55 percent of annual operating expenses based on an assessment of business risks
- a definition of the General Surplus Fund to be included in the RI Bylaws

1. Appropriate level of reserves:

Section 18.050.6. of the RI Bylaws specifies the circumstances under which the RI Board may approve a budget in which expenses exceed revenues. Based on an assessment of RI’s business risks, this enactment recommends that the appropriate level of the General Surplus Fund should be 55 percent of annual operating expenses (less the expenses of the RI Convention and the Council on Legislation).

2. Definition of general surplus fund:

The RI Bylaws specify circumstances under which the General Surplus Fund can be used but do not define the general surplus fund. A definition has been added to section 18.050.6. of the RI Bylaws to ensure that the measure of reserves properly reflects funds available for future foreseen and unforeseen events.

Amounts such as operational cash/working capital, funds held in restricted currencies, funds restricted by the RI Bylaws or the RI Board, and intercompany trading balances should be excluded when evaluating reserves.

To provide long-term financial sustainability for RI, the General Surplus Fund should be a reserve of funds that are over and above the operating needs of the organization.

APPENDIX L

POLICY ON ADULT HARASSMENT
(Decision 119)

26.120. Harassment-free Environment

Members and Rotary participants shall maintain an environment that promotes safety, courtesy, dignity, and respect to all.

Harassment is broadly defined as any conduct, verbal or physical, that denigrates, insults or offends a person or group based on any characteristic (age, ethnicity, race, color, abilities, religion, socioeconomic status, culture, sex, sexual orientations, or gender identity).
