132. General Secretary’s Report to the Board and to the RI Convention

Statement: The general secretary reported on the work at the Secretariat since the Board’s January 2019 meeting. In accordance with the RI Bylaws, he also presented his annual report that shall be submitted to the 2019 RI (Hamburg) Convention.

DECISION: The Board

1. receives the general secretary’s report on the activities at the Secretariat since the January 2019 Board meeting;

2. approves the general secretary’s convention report for submission to the 2019 RI (Hamburg) Convention.

133. Treasurer’s Report

DECISION: The Board thanks Treasurer Iblher for his report and expresses its sincere appreciation for his service as RI treasurer.

134. Updates to the Rotary Code of Policies

Statement: Board policy requires the general secretary to review at the conclusion of each Board meeting the decisions taken at that meeting and prepare a report listing the decisions that may be added to the Rotary Code of Policies. The general secretary provided suggested amendments to the Code based upon decisions the Board took at its January 2019 meeting.

Rotary Code of Policies section 49.060. states that any section or subsection of the Code that is more than 30 years old, and has not been subsequently amended, shall be automatically rescinded effective 1 July of the applicable year, unless formally retained by specific Board action. The Board considered Code sections based on decisions adopted in 1989 at this meeting.

DECISION: The Board, to record the decisions taken at its January 2019 meeting, and previously, amends the Rotary Code of Policies as found in Appendix C, filed only with the official copy of these minutes.

135. Adult Harassment Allegation

Statement: The general secretary reported on recent findings of adult harassment in District 7530 (West Virginia, USA).

DECISION: The Board

1. notes with serious concern the findings related to the harassment of a district governor-elect by certain leadership in District 7530 (West Virginia, USA) and requests the Rotary Club of Wheeling, WV, USA, and the Rotary Club of Buckhannon, WV, USA, to terminate the membership of the Rotarians identified in the report to the Board by no later than 30 April 2019 and to verify to the general secretary that this action has been taken;

2. requests the president to remove Michael Davidson as governor of District 7530 pursuant to RI Bylaws section 16.110.;

3. agrees that Mary Dean and Jody Light shall no longer be recognized by Rotary as past governors.

136. Censure of Rotarians

Statement: The Board took action against three Rotarians who were found to have acted against the best interests of Rotary International and The Rotary Foundation.

DECISION: The Board, due to actions taken against the best interests of Rotary International and The Rotary Foundation, censure Ron Burton, Paul Netzel, and Steve Brown, and

1. agree that they shall be ineligible to receive any funding and expense reimbursements from Rotary International, including travel to the convention and other RI events;

4. request the president to send letters to these individuals on behalf of the Board outlining this decision.

Note: President-elect Mark Maloney and Director Robert Knuepfer were not present for the discussion or vote on this item.
137. Removal of Director-Nominee

Statement: After following the process for removing an officer-nominee outlined in the RI Bylaws, which included a hearing before the Board, the Board determined that Matti Poikolainen’s actions were in violation of Rotary’s policies and inconsistent with the ethical standards expected of a general officer of RI.

DECISION: The Board, pursuant to RI Bylaws section 5.040.2., following a hearing and by a two-thirds vote, removes Matti Poikolainen for cause from the office of director-nominee from Zone 17B.

138. Delegation of Authority to Appoint Conveners and Sites for the 2019–20 Director Nominating Committees

Statement: The RI Bylaws require governors to report the names of the Director Nominating Committee members to the general secretary by 1 June. The Board must then designate a convener from among each committee’s membership and a meeting site by 15 June. Because both deadlines are after the April 2019 Board meeting, the general secretary suggested that the Board delegate authority to the president to act on its behalf in appointing the committees’ conveners and meeting locations before the 15 June deadline.

DECISION: The Board, noting that Zones 5, 7, 8, 11, 16B, 23B, 27, and 31 are currently selecting members for director nominating committees meeting in September 2019 to select the next directors from those zones, and further noting that RI Bylaws section 13.020.11. provides a deadline of 1 June for receipt of all names,

a. delegates authority to the president, after 1 June 2019 and upon the recommendation of the current director from the zone, to designate the convener for each director nominating committee and to decide the cities in which the committees shall meet in 2019;

b. notes that such presidential decision must be made no later than 15 June 2019, and that the committees must meet on a date between 15 and 30 September, in accordance with RI Bylaws section 13.020.13;

c. authorizes the president, for good reason and in consultation with the current director from the zone, to change any of the meeting places and dates, if so requested by a convener.

139. Election Review Committee Report

Statement: The Election Review Committee reviewed one complaint regarding a governor election received by the general secretary since the Board’s January 2019 meeting and made its recommendation to the Board.

DECISION: The Board receives the complaint of the Rotary Club of Bundang Dawoori, Gyeonggi, Korea concerning the election of the 2021–22 governor of District 3600 (Korea) and

a. finds that there is insufficient evidence of electioneering by or on behalf of the candidates that would justify setting aside the results of the election;

b. dismisses the complaint of the Rotary Club of Bundang Dawoori and upholds the election of Rotarian Duk Sam Lee as the 2021–22 governor of District 3600.

DECISIONS 140–143

Operations Review Committee Report

The Operation Review Committee met on 12–14 March 2019 in Evanston, IL, USA

140. Governance Recommendations—The Power of the RI President

Statement: In decision 15, July 2018, the Board requested the Operations Review Committee to review governance-related issues including the power of the RI president. The committee suggested that the Board develop more detailed job descriptions for key leadership positions in Rotary, amend its policies regarding the nomination of Foundation Trustees, extend more oversight on the president’s spending authority, develop a standard policy on expense reimbursements for president’s representatives, and standardize Board meeting dates, among other suggestions.

DECISION: The Board, so as to clarify the role of the RI president:

1. requests the general secretary to review the current job descriptions and skill sets needed for the positions of International Assembly moderator and Convention Committee chair, for report to the Board at its May 2019 meeting, and agrees that appointments to this position and committee must be approved by the Board before invitations are extended;

2. requests the general secretary to consult with the Leadership Development and Training Committee to
review the training leader selection process to ensure that the best candidates are selected, for report to the Board at its May 2019 meeting;

3. requests future presidents-elect to nominate no fewer than twice the number of candidates for election as Foundation trustee as there will be open positions in the following year, not including the position to be held by an RI past president;

4. agrees that no one who has served for two years or more as a trustee shall be eligible for subsequent reelection as a trustee, and recognizes that this change would necessitate removing the requirement that there be a minimum number of past presidents on the Board of Trustees from the RI Bylaws;

5. agrees that any proposed expenditure exceeding the president’s, president-elect’s, and president-nominee’s operating budgets must be approved in advance by the Board’s Executive Committee and subsequently reported to the Board;

6. agrees to develop a standard policy on expense reimbursements for president’s representatives and that, effective 1 July 2020, RI will not fund the expenses of a president’s representative to a district conference where the average conference attendance in the previous three years was less than 200 or when the scheduled conference program is not more than one day;

7. agrees that, effective 1 July 2020, president’s representatives shall not be appointed to more than one conference per Rotary year;

8. reaffirms Rotary Code of Policies section 69.040.2. and agrees that RI will not fund or reimburse the expenses of partners to travel to Board meetings that are not held in conjunction with the International Assembly or International Convention;

9. amends Rotary Code of Policies section 28.030. regarding Board meeting dates and locations as follows:

28.030. Meetings

28.030.1. Location of Board Meeting
Board meetings shall normally be held at the World Headquarters or in the vicinity of the site of the International Assembly or International Convention unless there are cost savings that can be achieved by meeting elsewhere.

10. agrees that the president’s annual goals must be in alignment with the RI Strategic Plan.

141. Governance Recommendations—Directors

Statement: In decision 15, July 2018, the Board requested the Operations Review Committee to review governance-related issues, including the term, duties, and selection process of RI directors. The committee suggested lengthening the terms of director, providing training to director nominating committees, and simplifying the duties and responsibilities of an RI director.

DECISION: The Board

1. requests the Constitution and Bylaws Committee to draft legislation for possible submission to the 2022 Council on Legislation that would extend director terms to three years, for report to the Board at a future meeting;

2. requests the general secretary to develop both a mentoring system and online training for director nominating committee members so that they better understand their role;

3. following the nominating committee meeting, requests director nominating committee chairs to submit demographic data to the general secretary on the candidates considered by the committee, for analysis by the Operations Review Committee;

4. requests the Operations Review Committee to consider recommendations for streamlining the duties and responsibilities of directors, for report to the Board at its October 2019 meeting.
142. **Governance Recommendations—Committees**

*Statement:* In decision 15, July 2018, the Board requested the Operations Review Committee to review governance-related issues, including the structure and terms of reference of RI and Board committees. The committee suggested that the Board, to have better flexibility and to adapt to changing circumstances, have ultimate authority over the creation and disbanding of committees, and further that the creation of new committees be subject to time and success criteria. The committee recommended development of a proposal to align all RI committee work with the RI strategic plan, and recommended changes to the International Assembly program that would bring focus to its primary purpose as a training meeting. The committee also recommended the elimination of select committees.

**DECISION:** The Board

1. requests the Constitution and Bylaws Committee to draft legislation for possible submission to the 2022 Council on Legislation that would state that the creation of standing committees is solely within the purview of the RI Board and that the Board shall annually review and determine which committees are necessary;

2. agrees that all decisions creating a new committee or task force lasting beyond the current Rotary year must identify the following at the time of adoption:
   a. a defined trial and evaluation period of not more than four years;
   b. anticipated impact on Rotary’s resources for the duration of the trial and evaluation period;
   c. criteria by which the success or failure of the committee or task force will be measured;
   d. dates for interim evaluations and reports to the Board;
   e. date of the final evaluation, following which the Board may adopt it as an on-going committee or task force, terminate the committee or task force, or extend the trial and evaluation period as needed;

   If the Board does not adopt or extend the committee or task force, it will terminate at the end of the trial and evaluation period;

3. agrees to eliminate the Global Networking Groups Committee, Youth Exchange Committee, and Convention Promotion Committee, effective 1 July 2020 and agrees to reassign the responsibilities of those committees to existing committees;

4. requests the Strategic Planning Committee to develop a proposal for a long-term change in committee structure that would be aligned with the Strategic Plan and share that proposal with the Operations Review Committee for its review and input at its March 2020 meeting, for report to the Board at its April 2020 meeting;

5. pursuant to point 4 above, requests the chair of the Operations Review Committee to appoint one of the committee’s members to work with the Strategic Planning Committee in developing its proposal;

6. recognizing that the primary purpose of the International Assembly is to train incoming governors, requests the Leadership Development and Training Committee to develop a standard template that could be used to plan the annual program for the International Assembly that would
   a. clarify that its primary purpose is as a training meeting;
   b. develop a standardized training program and budget that would be used in planning the International Assembly so that there is less variation from year to year;
   c. clarify that the president-elect shall have discretion in selecting speakers, planning motivational and social events, and similar activities;

7. requests the chair of the Leadership Development and Training Committee to consult with the chair of the Operations Review Committee, or their designee, in developing the template described in point 6 of this decision;

8. requests the Operations Review Committee to review the official participants at the International Assembly as designated in Rotary Code of Policies section 58.070.1. to ensure that their attendance is necessary to the primary purpose of the meeting, for report to the Board at a future meeting.
143. Compensation Advisory Committee
Responsibilities

Statement: The Operations Review Committee serves as a compensation advisory committee to the Board’s Executive Committee. As such, the committee reviews and confirms the reasonableness of compensation proposed to be paid in the coming year to Rotary’s senior officers and staff.

DECISION: The Board

Statement: In decision 15, July, 2018, the Board established a new, ad hoc committee to review specific governance-related concerns, including the regional leader structure and effectiveness, volunteer leadership positions between directors and districts, and district-related concerns, such as governor duties and district size, for final report to the April 2020 Board meeting. The committee recommended adjustments to the list of organizations in the network, and the Board discussed criteria for selecting members to this network.

2. notes that District 2680 was the co-proposer of a similar item of legislation to the 2017 Council on Resolutions and notes that as a result of that legislation, the Board, in its decision 97, January 2018, requested the general secretary to make available a document that provides information on amendments made to the Rotary Code of Policies whenever that document is updated;

3. notes further that this document showing the amendments to the Code is now available on rotary.org following every Board meeting;

4. requests the general secretary to examine the feasibility of translating this document into the official Rotary languages.

150. To Consider the Composition of the Rotary Foundation Trustees

Statement: The Board considered Resolution 18R-38 regarding composition of the Foundation trustees.

DECISION: The Board

1. thanks District 1980 (Switzerland) and the Rotary Club of Winterthur, Switzerland, for their resolution requesting the Board to consider the composition of The Rotary Foundation Trustees;

2. notes that the Foundation’s bylaws currently require trustees to be selected from various parts of the world and that the Rotary Code of Policies allows the president-elect to consider geographical balance when nominating trustees;

3. notes further that mandating that trustees come from certain areas would require an amendment to the RI Bylaws at a Council on Legislation;

4. invites District 1980 (Switzerland) and the Rotary Club of Winterthur to submit appropriate legislation for consideration at the 2022 Council on Legislation that would address their concerns.

151. To Consider Providing a Rationale for Any Proposed Dues Increase Submitted to the Council on Legislation

DECISION: The Board

1. thanks District 2840 (Japan) for its resolution requesting the Board to consider providing a rationale for any proposed dues increase submitted to the Council on Legislation at the time the proposal is published;

2. notes the RI five-year financial forecast is published annually for Rotary Institutes and provides the basis for a recommended dues increase;

3. agrees that it is important for the Board to provide the rationale for any proposed dues increase to future Councils on Legislation.

152. To Consider Not Convening the Council on Legislation Online

Statement: The Board considered Resolution 18R-51 regarding the format of the Council on Legislation.
1. thanks the District 2680 (Japan) for its resolution requesting the Board to consider not convening the Council on Legislation online;

2. notes that the Board does not currently have plans, nor has it proposed legislation, to conduct the Council on Legislation electronically.

153. To Consider Proposing Legislation to the 2019 Council on Legislation to Reinstate Article 10, Section 6 (Adopted Resolutions) of the RI Constitution

Statement: The Board considered Resolution 18R-53 regarding how district leadership is informed of RI Board actions.

DECISION: The Board

1. thanks the Rotary Club of Kobe Seishin, Hyogo, Japan and the Rotary Club of Takasago Seisho, Hyogo, Japan, for their resolution requesting the Board to propose legislation to the 2019 Council on Legislation to notify governors of any Board action taken in regard to resolutions adopted by the Council on Resolutions;

2. notes that while 2016 Council on Legislation removed article 10, section 6, of the RI Constitution, which required that governors be notified of any Board action taken in regard to resolutions adopted by the Council on Resolutions, the general secretary, as a matter of protocol, after each Council on Resolutions notifies governors, Council representatives, and Council alternates of Board action. In addition, Board decisions regarding adopted resolutions are published on the Rotary website in the Board minutes.

154. To Consider Adding Editorial Marks to Updated Versions of the RI Constitutional Documents

Statement: The Board considered Resolution 18R-54 regarding the addition of editorial marks in updated versions of the RI constitutional documents.

DECISION: The Board

1. thanks District 2840, Japan, for their resolution requesting the Board to consider adding editorial marks to updated versions of the RI constitutional documents;

2. notes that after each Council on Legislation, the general secretary sends to all clubs and districts a Report of Action that shows the marked changes (in strikethrough and underlines) for each item the Council adopted.

155. To Consider Reincorporating a Concise Summary of Rotary's Policies and Procedures into the Manual of Procedure

DECISION: The Board

1. thanks the Rotary Club of Osaka, Japan, for its resolution requesting the Board to consider reincorporating a summary of Rotary's policies and procedures into the Manual of Procedure;

2. notes that while much of Rotary’s policy summarized on rotary.org is updated on a regular basis, the information provided in past Manual of Procedure’s “white pages” was updated only every three years and consequently soon became outdated with each new Board meeting, and further, because the discrepancies between current policy and the “white pages” had often caused confusion among Rotarians, agrees to maintain the current layout of the Manual of Procedure.

171. Presidential Theme

**Statement:** The Communication Committee recommended that, to avoid confusion about the Rotary brand to an external audience, the presidential theme be in alignment with Rotary’s Vision Statement.

**DECISION:** The Board amends the Rotary Code of Policies section 27.030.5., regarding the president’s annual theme as follows:
27.030.5. Annual Theme

[Text omitted]

3. An Interact club is organized, sponsored and
supervised by a Rotary club or clubs and is
established following the endorsement of the
 governor and upon certification and recognition by
Rotary International; and its continued existence

ba) An Interact club may be organized and
sponsored jointly by up to three Rotary clubs or
a Rotary club and another Rotary club or a
Rotaract club as long as the total number of co-

ab) Interact clubs shall be sponsored only by
Sponsoring Rotary and Rotaract clubs must be
within the boundaries of the district in which
the Interact club is they are located.

Interact clubs may be sponsored jointly by more than
three Rotary clubs with the governor’s approval if, in
the governor’s considered judgment, the best interests

the Interact club concerned would be effectively
served.

A joint Interact committee should be created with
representation from each of the sponsor Rotary clubs.

4. Sponsor Rotary clubs are responsible for organizing
the Interact club and for providing it with guidance

5. Where the Interact club is school-connected, control
and supervision by the sponsor Rotary clubs shall be
exercised in full cooperation with the school

of Rotary International. As a prerequisite of its
organization and certification, each Interact club shall
adopt the “Standard Interact Club Constitution” and

subsequently made by the Board of Directors of
Rotary International.

9. Each Interact club shall adopt by-laws not
inconsistent with the “Standard Interact Club
Constitution” and with policy established by Rotary
International. Such by-laws shall be subject to the
approval of the sponsor Rotary club(s).

[Text omitted]

14. An Interact club may be terminated (a) by Rotary
International, with or without the consent, approval or
concurrence of the sponsor Rotary club(s), for failure
to function in accordance with its constitution or for
other cause, (b) by its sponsor Rotary club(s), or (c)
by the Interact club itself upon its own determination.

[Text omitted]
